◆ Dr. Edward H. Hammond - President ◆

Dr. Edward H. Hammond, is the eighth President of Fort Hays State University. President Hammond, a man of boundless enthusiasm and energy, whose style is upbeat and progressive, was born in McAllen, Texas, but reared in the Kansas City, Kansas area.

Prior to his current post, President Hammond gained educational experiences and shared his expertise at the universities of Louisville, Seton Hall, Southern Illinois, Purdue, and Missouri-Colum-

bia. The President holds bachelor's and master's degrees from Emporia State University and the Ph.D. from the University of Missouri-Columbia.

President Hammond has been extremely active since assuming the leadership of the University in the summer of 1987. He laid the groundwork for a cooperative educational initiative between FHSU and the community colleges in Western Kansas; has watched his dream to totally computerize the campus become a reality; created an organization comprised of business and community leaders from 54 Western Kansas counties and helped to establish scholarship programs for potential minority school teachers at Garden City and Liberal.

He has played a major role in furthering economic development in Hays and Western Kansas and introduced a voice mail system that vaulted the

foreign language efforts of FHSU into an elite class. He prompted the completion of the Beach/Schmidt Performing Arts Center for the cultural development of the area and launched the expansion of Sternberg Museum to a new location soon on Interstate 70. He obtained federal and state funding for the university's new \$12 million science building and completed a \$20 million Capital Campaign to raise private monies for the enhancement of many university programs.

President Hammond has published widely and is in demand nationally as an educational consultant because of his expertise in risk management, staff and institutional liability, sexual harassment, and alcohol education issues.

The Hammond family includes wife Viv (Hammeke), formerly of Ellinwood, daughters Kelly and Julie, and son Lance.

◆ Tom Spicer - Director of Athletics ◆

Tom Spicer was named director of athletics at Fort Hays State University on July 27, 1989. Spicer is starting his sixth year as director of athletics and has emphasized a return to athletic and academic excellence.

A native of Beaver, OK, Spicer attended secondary schools in Hays. He is a graduate of Hays High School and earned a bachelor of sci-

ence degree from Fort Hays State in 1972. He played varsity football for the Tigers during his collegiate days. Spicer received his master of science degree from FHSU in 1977. He is completing a specialist in education degree with work at both Southeastern Oklahoma State University and The Wichita State University.

Spicer is largely responsible for the improvements that were made to Lewis Field Stadium. Through his continued efforts the 1936 stadium was renovated with new synthetic surfaces on both the football field and track. The native limestone structure was sandblasted to its original color. His fund-raising efforts have led to improved funding of the Tiger athletic programs, allowing student athletes the opportunity to attend FHSU.

Prior to making the move back to FHSU Spicer was the director of athletics and dean of student affairs at Butler County Community College. He also has experience as director of athletics, physical education instructor, head football coach and track coach for the Durant, OK, School District.

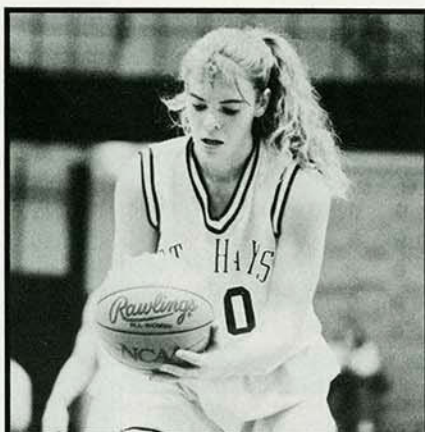

Previous to his work in Oklahoma, he taught and coached at Salina South High School, at Bishop Miege High School in Shawnee Mission and at Schlagle High School in Kansas City, KS.

Spicer is married to the former Kathy McGovern of Colorado Springs, CO. She received a bachelor of arts degree in sociology from Fort Hays State in 1972. The Spicers have four children: Matt, Amber, Kristen and Allison.

◆1995 Tiger Football Outlook◆

Fort Hays State head football coach Bob Cortese had his second worst season in 22 years of coaching last year. His worst coaching season came in 1980 at Mesa State when the Mavericks went 3-6. Last season the Tigers had quality players but a new coaching staff failed to mold the team into the RMAC contender that was expected. Coach Cortese and his not so new staff are determined that the 1995 team not suffer the same fate as last year. The players and coaches have been working hard in the offseason to improve on the 5-5-1 mark of 1994.

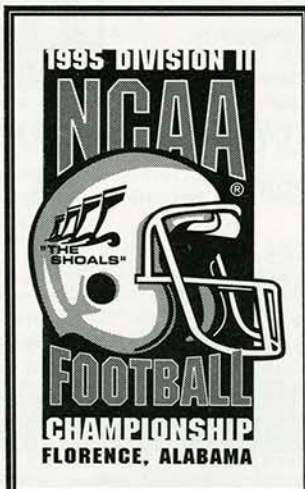

Several of the Tigers' top players from the past have graduated including All-RMAC tailback Earnest Williams. Williams has since signed with the Detroit Lions of the NFL. Also departed from a year ago is the Norton, KS duo of quarterback Dustin McEwen and tight end Mark Wahlmeier who were both three-year starters.

◆ Offense ◆

Offensively, the Tigers return seven players who saw action in a starter's role last season. FHSU's offensive strength seems to be in the receiving corps with the return of both starters in second-team All-RMAC flanker Lance Schwindt (41 receptions, 641 yards, 6 TD's) and RMAC honorable mention split end Kahn Powell (32 receptions, 479 yards, 4 TD's). Speedy Frank Martin (17 receptions, 294 yards, 1 TD) returns after sitting out last season. Junior college transfer Xavier Brown should press for playing time in his first season in the Black & Gold.

The tailback spot should be

solid with Clint Bedore and Emmett Pride. Bedore rushed for a school record 1,619 yards his sophomore year but moved to fullback last season. Bedore, a 1993 All-RMAC selection, is expected to play mostly tailback this season but could also spend time at fullback. Pride was an honorable mention RMAC selection last year rushing for 477 yards and two touchdowns.

The projected starter at fullback Bryan Rupp suffered an injury this summer necessitating several position changes to fill the void. Matt Kuhn (OL), Todd Voth (LB), Aaron Rusher (LB) and John Swanson (DL) have made the move from previous positions to fullback in hopes of filling in for Rupp. Butler County Community College transfer Damian Walker is the only true fullback on the roster.

The quarterback battle looks to be between senior Shawn Behr and sophomore Joel McReynolds. Behr transferred to FHSU last season from Idaho State and completed 5-of-7 passes with one touchdown. McReynolds did not take a snap under center last

season but did letter playing wide receiver.

Returning offensive linemen include Woody Bryant, Chad Fuller, Dolyn Jackson, and Ryan Martin who all saw action as starters last season. Bryant (6-2, 285) earned All-RMAC and second-team all-region honors last season after moving from fullback to guard just prior to the start of last season. Junior Chad Fuller (5-11, 277) started all 11 games at center last season. Tackle Dolyn Jackson (6-3, 310) was an honorable mention RMAC selection a year ago. Martin (6-4, 255) started several games at guard last season. Martin practiced at center during the spring and could see some time there this fall.

Northwest Missouri State transfers Mike Kallenberger (6-3, 255) and Myron Grady (6-0, 245) are vying for starting spots. Redshirt freshmen Clint Albers (6-0, 268) and Chris Thom (6-4, 280) are seeking playing time in their second year.

Senior Mike McGavran and junior college transfer Brandon Bergstresser (6-5, 265) are the two tight end candidates. Bergstresser is also practicing at offensive tackle.

◆ Defense ◆

Seven starters return to the number two ranked RMAC defense which allowed 294 yards per game last season.

Two-time All-RMAC linebacker Jose Salcido should again lead the team this year. Salcido has topped the team in tackles each of the last two seasons. Middle linebacker Shawn Starr was second on the team with 70 tackles last year. Veterans Clint Newell

◆1995 Tiger Football Outlook◆

and Kurt Stoneburg could challenge for time at linebacker. Redshirt freshmen Scott Karl, Mike Lankas and Travis Jenkins should be more than adequate linebacker backups this season.

Transferrers Uly Taylor and Michael Harge are also battling for time at linebacker.

Three starting defensive linemen return in tackle Jeremy Hawks(6-4, 261), tackle Daren Organ(6-3, 261) and end Steve Porter(6-2, 237). Hawks was a first-team All-RMAC selection while Organ and Porter earned second team honors.

Josh Gooch, FHSU's All-America heavyweight wrestler, won the starting noseguard spot during spring drills. Junior Jason Flax and redshirt freshman Brian Ruder are expected to battle for the defensive end spot opposite Porter.

Safety Keith Eck is a two-year starter who gives the Tigers a solid nucleus in the backfield. Junior college transfers Kevin Jones, Elijah McCray, Matt Morrison, Lucas Melvin and sophomore Brock Hutchinson round out the defensive backfield prospects.

◆Special Teams◆

A fall battle is shaping up for the kicking duties for the Tigers this season. Senior fullback Todd Voth and redshirt freshman Frank Miller are battling for the punting job.

Transfers Jason Browning and Brad McChesney are the top two kicking prospects. Browning was twice named as the all-Jayhawk League kicker.

Last year Powell provided the Tiger faithful with excitement on every kickoff return.

Powell established a new school mark with his 100 yard kick return for a touchdown in the Chadron State game. Newcomer Xavier Brown is also looking to return kicks this season and should press Powell for his spot. Bedore and Frank Martin are two veterans who have also returned kicks for the Tigers.

◆The Schedule◆

Last season FHSU opened with five-of-seven games on the road but things have turned around with five-of-seven games at home to start the 1995 season. Although the opponents have not changed, the location is more favorable to the Black & Gold.

Two 1994 NCAA II playoff teams appear on the Tiger schedule again this season in Pittsburg State and Western State. FHSU's four non-conference games to start the season include Emporia State, Pittsburg State, Central Oklahoma and Nebraska-Kearney before the conference season gets underway. The four non-conference teams combined to go 39-12-1 last season.

◆Bob Cortese Head Football Coach◆

Bob Cortese begins his sixth season as head coach of the Fort Hays State University football program. In 1990 he took over a struggling FHSU football program and led the Tigers to an 8-4 mark and the school's first ever post-season playoff appearance. In 1993 he repeated that feat guiding the Tigers to an 8-4 mark and the schools second playoff

appearance and first as a member of the NCAA II. The 1993 squad also captured the school's first Rocky Mountain Athletic Conference football title since joining the league. Tiger teams have tallied eight victories in a season five times and Cortese has accomplished that feat three times.

Cortese has won 35 games in five seasons as head coach of the Tigers placing him third on the all-time FHSU victories list. His average of seven wins per season is tops among Tiger coaches who coached at FHSU for more than one season. Nationally he ranks seventh among active NCAA II coaches in winning percentage and 12th in career victories. The 100-win plateau came when the Tigers won their final game of the '91 season. His overall record now stands at 119-43-4 in 15 seasons as a collegiate coach.

Cortese was named the 18th head football coach in FHSU history, December 29, 1989, after 10 years as head coach at Mesa State College in Grand Junction, Colorado. The Mavericks landed six NAIA playoff berths while establishing an 84-22-3 record with Cortese as head coach. Mesa State posted records of 2-8 and 1-8 during the two seasons prior to Cortese's appointment as head coach. He only had one losing season with the Mavericks and never lost more than three games in any season after his first year.

Along with success comes honors. Cortese was named the NAIA District 7 Coach-of-the-Year six times. He also was a runner-up for NAIA National Coach of the Year honors in 1982 & 1983. In his first year at FHSU he duplicated those honors with NAIA District 10 and runner-up NAIA National recognition.

As a collegiate athlete, Cortese excelled on the football field at Northeastern Junior College in Sterling, CO, where he earned J.C. Grid-Wire and UPI All-America honors in 1962. He went on to spend two successful seasons with the University of Colorado. He earned a bachelor of science degree from Colorado in 1967 with a major in physical education. He completed work on a master's degree in curriculum and instruction with an emphasis in vocational education at the University of Northern Colorado in 1973.

After his playing days at the University of Colorado, Cortese spent two seasons as a graduate assistant in the program and later returned to the program under both Bill Mallory and Chuck Fairbanks

as a full time assistant.

Cortese was a prep coach in Colorado at Lakewood High School (1979-80), Arvada Senior High School (1974-77), Highland High School (1971-74), and St. Joseph High School (1969-71). His coaching mark at all levels is 204-69-4 in 25 seasons.

Cortese is married. His wife's name is Toni. Bob has two sons, Jim and Jeff, and Toni has two daughters, Michelle and Andrea.

Lewis Field Stadium, the 7,000-seat home of the Tigers, received a major facelift prior to the 1993 season. The native limestone structure was refurbished to its natural state when 57 years of weathering was sandblasted away.

The grass football field and cinder track were replaced with state of the art artificial surfaces.

The new football field is STADIA-Turf, an artificial playing surface. The green turf lies upon a rubber surface and beneath it is a layer of crushed rock which allows for maximum drainage. Both end zones are gold with black lettering spelling out Fort Hays in the north and Tigers in the south.

The new 8-lane rubber and polyurathane track was named the Alex Francis track, to honor the former Tiger track & field coach. The majority of the field events are conducted outside the north wall.

Lewis Field was constructed in 1936 on what was formerly the Golden Belt Fairgrounds, and was named in honor of William Alexander Lewis, president of Fort Hays State University from 1913 to 1933.

The field is located beside a spacious tree-lined drive and is just a short walk from the campus residence halls and the downtown business district.

Dressing rooms, concession areas, athletic training facilities, restrooms and equipment storage rooms are located under the grandstands. An overhaul of the Tiger locker room was completed just before fall practices in '90

with a synthetic floor, a false ceiling and new paint providing an entirely different atmosphere. A new stereo system was also installed.

Admittance to the stadium is allowed through two main gates, one on the east side and one on the west side. Four ticket windows are in service for each game.

Atop both grandstands are press box facilities which provide seating for writers, statisticians, radio stations, scouts, and film/video crews. The visitor's coaches box and all film/video crews are located on the west side.

The east side is made available for all press, radio, FHSU sports information, visiting information personnel, public address, scoreboard operations and a private box for the president of the university and guests.

Outside the limestone wall to the southeast are two football practice fields.

Hays, KS (Sept. 17) With FHSU leading 6-0 and having just scored to go ahead 12-0 with 4:51 remaining in the first quarter it looked as if the Tigers would get their first win of the season. FORT HAYS STATE 61, NM HIGHLANDS 47

Las Vegas, NM(Oct. 8) FHSU trailed New Mexico Highlands 41-39 heading into the fourth quarter of a high scoring Rocky Mountain Athletic Conference contest. Just 11 seconds into the fourth period Tiger quarterback Dustin McEwen connected with flanker Lance Schwindt on a 4-yard pass play for a touchdown. The two-point conversion was good on a run by tailback Earnest Williams and FHSU led 47-41. FHSU scored on the next series when split end Kahn Powell hauled in a McEwen pass and raced 36 yards for the score. Another Williams two-point conversion run made the score 55-41. The Cowboys cut the Tiger advantage to eight on a Leroy Ortega from Jermaine Whitaker 7-yard touchdown pass. The Cowboys elected to go for two points but Whitaker's pass was intercepted and FHSU led 55-47. FHSU was facing a third-and-goal at the NMHU 4-yard line when Tiger quarterback McEwen came to the sidelines with an injury. Backup Shawn Behr was sent into the game, a transfer from Idaho State, he had just recently joined the football team and had only practiced nine days. Behr dropped back to pass and found Powell open in the end zone for a touchdown to put the Tigers ahead 61-47. The Cory Honas extra-point attempt failed and FHSU clung to a 14-point advantage. It was Behr's only attempt of the game as McEwen returned on the next series.

On the very next series NMHU drove to the Tiger 3-yard line. Facing a fourth-and-goal at the Tiger 3-yard line Whitaker went to the end zone but Tiger defensive back Donovan Johnson was there for the interception. Neither team scored in the final 5:06 making the final score 61-47.

Both teams scored first quarter touchdowns but the Tigers missed the extra-point and NMHU led 7-6 heading into the second quarter. The second period proved to be a high scoring affair. Each team scored four touchdowns and combined for a total of 54 points. NMHU scored first and the Tigers matched every touchdown scored by the Cowboys. Cowboy place-kicker Bob Koning was perfect on all four of his second quarter extra-point attempts while Honas connected on two-of-three attempts. McEwen was also intercepted on a two-point conversion attempt. NMHU held a three point advantage heading into the lockerroom, 35-32. FHSU went ahead on a Schwindt from McEwen touchdown pass to start the second half but the Cowboys came back to score on the next series to regain the lead 41-39. Koning's kick was blocked and NMHU led by two heading into the final period.

FHSU's 61 points established a new school record for points in a game breaking the old mark of 59 which was set in 1991 against Panhandle State.

FORT HAYS STATE 33, MESA STATE 28

Grand Junction, CO (Oct. 15) Clinging to a 33-28 lead over Mesa State with less than three minutes remaining in the game FHSU faced a third-and-seven at their own 23 yard line. Just 27 seconds into the fourth quarter Maverick tailback Jermaine Davis scored on a 1-yard run making the score 26-7. Less than three minutes later tight end Jason Derryberry scored on a 7-yard pass reception from MSC quarterback Jake Logue further cutting into the Tiger advantage, 26-14. FORT HAYS STATE 23, ADAMS STATE 23
 Hays, KS (Oct. 22) Trailing Adams State 23-20 Tiger head coach Bob Cortese elected to go for the tie with hopes of staying in the race for the Rocky Mountain Athletic Conference title. FHSU place-kicker Cory Honas trotted on the field for the potential 30-yard field goal attempt. The snap from center was bad but holder Brock Hutchinson was able to spot the ball and Honas' 30-yard field goal was good to knot the score at 23. ASC had one more play but quarterback Mike Nelson's pass fell incomplete.

Tiger defensive back Donovan Johnson started the scoring when he returned a punt 51 yards for a touchdown staking FHSU to a seven point advantage. ASC cut the lead to four with a 33-yard field goal by place-kicker Nick Hoffman making the score 7-3 after one quarter. Tiger quarterback Dustin McEwen's screen pass was intercepted by linebacker Joe Bunning and returned 37-yards to FHSU's 7 yard line setting up ASC's first touchdown. Three plays later Darin Dolce scored on a 4-yard run to put ASC ahead by two. Hoffman's extra point attempt failed and ASC led 9-7 at the half.

ASC began the second half scoring on a 35-yard pass reception by Chris Perry from Nelson to go ahead 16-7. Darin Dolce scored his second touchdown of the game when he hauled in a 1-yard pass from Nelson. ASC's 14 point third quarter staked the Indians to a 23-7 advantage heading into the fourth period.

With 13:30 left in the contest McEwen scored on a 4-yard run. McEwen's two-point conversion pass to flanker Joel McReynolds fell incomplete but FHSU had cut the

ASC advantage to 10, 23-13.

FHSU had the ball at the ASC 46 yard line with just three minutes remaining in the game but trailed by 10 points. Just 34 seconds later the Tigers were on the board on an Earnest Williams 9-yard touchdown run. The Tigers now trailed by a field goal. Cortese elected to kick the ball deep and attempt to stop the Indian offense. It proved to be the correct move for the Tigers in their quest to repeat as RMAC champions as Honas hit the game-tying field goal following a defensive stop by the Tigers.

◆Fort Hays State University◆

Founded in 1902 on the Plains of western Kansas, Fort Hays State University is the second youngest of the state's six universities of higher education.

From an exciting beginning, when 34 students were greeted by two faculty members and a 19-course curriculum, our university has grown to a student body of 5,800, a faculty of nearly 300, a support staff of 250 and a curriculum comprised of more than 1,500 courses.

Fort Hays State University is governed by a Board of Regents appointed by the Governor of the State of Kansas.

The main campus sits on 200 of the 4,160 acres owned by the state of Kansas and deeded to the university. Winding Big Creek, with its shady, grassy banks, traverses the campus and provides not only a tranquil, conducive learning atmosphere, but also serves as a natural laboratory for students in the biological sciences. Our campus has often been called the prettiest in Kansas.

FHSU is located in Hays, the largest city in northwest Kansas. A progressive city of 18,000 people, Hays is an old cow town on the Union Pacific railroad. The old

and the new blend beautifully to form a city that is small enough you can feel comfortable in, yet is large enough to provide culture and shopping facilities second to none.

The university is comprised of four colleges: Arts and Sciences, Business, Education, and Health and Life Sciences, and a Graduate School.

FHSU is academically superior to many comparable universities, offers students an electronic learning and living environment and is richly endowed by heritage and tradition. Surveys of our students show that while there are a multitude of reasons why students come to our University, their overwhelming response is always "because of the university's reputation for academic excellence and its caring faculty."

Fort Hays State University supports one of the most extensive intercollegiate sports programs of any comparable size college or university in America. More than 350 athletes annually compete in eight men's and six women's sports.

FHSU is a member of the Rocky Mountain Athletic Conference which is comprised of nine schools from the states of Kansas, Colorado, Nebraska and New Mexico.
